Choosing a School

Kaylie Wildash
SENDIASS

HPCI webinars

- Welcome! This webinar is being hosted by HPCI (the parent carer forum for Hertfordshire) and delivered by Kaylie Wildash from the SENDIASS team.
- HPCI's main role is to influence the development and improvement of services for children and young people with SEND aged 0-25 years in Herts by representing the views and experiences of their parents and carers at a strategic decision making level.

HPCI webinars

- We also support SEND families to better understand the systems and processes in Hertfordshire – through the information we send out to our members and through webinars like this one.
- Make sure you add your voice and join our parent carer network – details about how to do this are at the end.

- **must not** refuse to admit a child who has SEN but does not have an EHC plan because they do not feel able to cater for those needs
- **must not** refuse to admit a child on the grounds that they do not have an EHC plan."
