Down Syndrome Integrated Therapies Advice Clinic

Our integrated therapies advice clinic is aimed at all pre-school aged children with Down Syndrome living in East Hertfordshire (Welwyn, Hatfield, Broxbourne, Hertford and Waltham Cross areas of Hertfordshire).

These face to face sessions provide an opportunity for parents and carers to attend with their child for informal assessments and gain advice from a physiotherapist, occupational therapist and speech and language therapist. No referral is required and you do not need to be currently under any of the therapies services in order to attend.
